

Cultural Competence from **diversophy**[®] – Now available in **3** media

diversophy[®] provides an engaging, interactive, and enjoyable learning event for you and your trainees in a low-risk environment. Safely test how you initiate and respond to behavioral challenges and risks. Deepen your awareness and understanding of the attitudes, facts, and behaviors in the workings of other cultures. Compare how you manage key critical situations in your own culture with the practices found elsewhere. **diversophy**[®] is your chance to develop, deepen and build cultural competence in yourself and those around you.

- How do you meet and leverage diverse cultural challenges at work, in society and in daily life?
- How do you resolve a cultural conflict?
- What is the best way to influence, negotiate with and give feedback to people from different ethnic and cultural backgrounds?
- What leadership style do you use to empower people who work for you and benefit from the culture they bring with them?

Find the answers to these questions and many more in **diversophy**[®] – the training game that immerses you in the cultural contexts you want to learn about.

Besides specific packages addressing specific cultures around the world, you can also engage with topics such as global teamwork, global negotiation, cultural competence, and more. **diversophy**[®] is now available in **three different media** to address corporate, academic, coaching and personal requirements. Select the game and medium that best meets your learning goals.

1

In the traditional training or classroom **paper card game format**. See the large selection of topics and order directly from:
