

HOW to LOVE
an ANGRY
WOMAN

a workshop
for men,
by men.

This is a workshop for men who are seriously interested in improving their ability to listen to, understand, support, encourage, respect, and communicate with the women in their lives. It represents a guided opportunity to increase understanding of the legitimate anger that our wives, mothers, sisters, daughters all carry caused by cultural factors and actual behavior which discriminates against them.

"When a man gets up to speak, people listen, then look. When a woman gets up to speak, people look, then, if they like what they see, they listen."

Pauline Frederick

"A man has to be Joe McCarthy to be called ruthless. All a woman has to do is to put you on hold."

Marlo Thomas

"I learned long ago that being Lewis Carroll was infinitely more exciting than being Alice."

Unknown

"Men are taught to apologize for their weaknesses; women for their strengths."
